

Calhoun Alumni Association

Reunion 2006

This summer's 2006 Calhoun Alumni Association Reunion proved a success as retired and active members descended on Calhoun MEBA Engineering School grounds in Easton, MD for a weekend of entertainment and relaxation.

As is the tradition, awards were presented both for members distinguishing themselves in the MEBA golf tournament as well as for those who made significant contributions to the Union and the CAA.

Mike Matthews was honored as the CAA Man of The Year Award. The Roy Luebbe Excellence in Education Award went to School Instructor Scott Conway. Rick Simonson was given the CAA Distinguished Service Award. CAA meritorious awards were bestowed to the CMES Maintenance Team, CMES Housekeeping Team and the CMES Food Service Team.

Top golf tournament honors went to the team consisting of John Farrell, Rick Haynes, Gary Gregorek and Dan LeSage. The group represents

MEBA members who sail as Master, Chief Engineer, Chief Mate and 2nd Engineer aboard the E-Ships vessel M/V MAERSK NEVADA. The second place team was made up of Bill Van Loo, Mike Fanning, Bob Smith and Mark Hertelendy. The longest drive award went to Pat Stevens (Hole #6) and Ron Endzel (Hole #18).

Closest to the pin honors were taken by Steve Fromnick (Hole #7) and Dan LeSage (Hole #11). Those golfers who turned in the most pathetic scores and were urged to try bowling instead included the all-star grouping of JB Christensen, Bill Hrubovcak, Steve Meyers and Rob Oberling. In the first annual Video Game Tournament Award for kids, the winner list included Nick Clash (1st Place), Jim Nardi (2nd Place) and "Zack" (3rd Place). The coveted "Last Man Standing Award" for Reunion 2006 was shared by Jackie Hrubovcak (who showed all male challengers she could hang with the best of them) and Mike McHugh. ■
