Nizetich Print Raising Money for M.E.B.A. Memorial Foundation

High quality prints of a Mike Nizetich painting have been made available to drum up funds for a great cause.

Entitled "Epiphany," the painting depicts a reverential piston pull. 50 prints were created and are available for \$100 apiece. As per Mike's request, all proceeds will go to the M.E.B.A.'s Merchant Marine Memorial Foundation.

Nizzy was a popular member and official who was serving as the Union's Executive Vice President when he died much too young in early May. Mike was an upstanding person and labor stalwart who had great devotion to the M.E.B.A. membership.

Let's do this for Mike and raise some money in his honor!

**Sincerely,
Bill Van Loo
MMMMF Chairman**

The Foundation supports the Memorial located at the Calhoun School honoring fallen mariners who helped blaze the proud tradition our members continue today.
